

The Cleaning and Restoration Association presents...

Water damage Restoration Technician

IICRC Certification Course

- 2019 Dates:** Feb. 20-22
 (please ✓ one) April 17-19
 June 5-7
 Aug. 21-23
 Oct. 16-18
 Dec. 18-20

Time: 8:00am - 5:00pm daily

Location: Abatix
 10051 Painter Ave.
 Santa Fe Springs, CA 90670

A unique three-day program that concentrates on drying structures without spreading contaminants. This course incorporates all the information from the IICRC Water Restoration Technician (WRT) exam with an adaptation for contamination. WRT training provides restorers with valuable decision making skills when deciding to proceed with a job that has limited or no mold insurance coverage. Being able to continue on a water-loss without delays limits microbial growth which in turn reduces the cost of remediation, ALE and business interruption. Insurance companies will be more likely to hire restorers that can provide prompt cost-saving services which give your company a marketing advantage.

Continuing Education Credits: ACCA 21 CE Credits; IICRC 2 Cleaning/Restoration or 1 Mold CEC

Limited Seating: We suggest that travel arrangements not be made prior to receiving an emailed confirmation from our office. In the event a course is cancelled or postponed, CRA will not be responsible for any costs incurred.

Cancellation Policy: Written cancellation received at least 10 days prior to class will be subject to a \$100/person processing fee. No refund will be granted after 10 days prior to class.

Early Registration (14 days prior)
